

# DL PEOPLE PROMOTIONS

## Meet our new Associate Directors and Associates

### Colin Morgan – Associate Director Cost Management, Adelaide

Colin commenced with Davis Langdon in January 2007 and has over 12 years experience in the construction industry, including 8 years working in the UK, before moving to Australia in 2004. Colin has experience in all aspects of cost planning and contract administration, post contract financial control and reporting, preparation of budgets, estimates, bill of quantities and independent certification.

**Colin Morgan**  
Associate Director  
– Adelaide

**Justin Jones-Gardiner**  
Associate Director  
– Sydney

### Justin Jones-Gardiner – Associate Director Building Surveying, Sydney

Justin brings to Davis Langdon 8 years of building surveying experience that covers Government and the private industry in both Australia and the UK. He has sound knowledge in building surveying and building works including domestic construction, residential, industrial and commercial developments. Justin has specialised in building surveying and in the processing of applications before Council. He has a thorough knowledge of the Building Code of Australia, experience with the Local Government Acts and its Regulations, including the Environmental Planning and Assessment Regulation 2000.

### Adam Rankin – Associate Director Project Management, Canberra

Adam commenced employment with Davis Langdon in 2006 after spending 13 years with the Australian Army based in numerous locations throughout Australia. Adam has a diverse range of project management experience gained through work as a uniformed member of the Australian Defence Force and also during his time with Davis Langdon. Adam has also undertaken a number of varied projects during his time in Defence. These have included working as project manager for projects assisting the United Nations in East Timor.

“Our growth and ability to meet and exceed expectations of our clients is underpinned by the enthusiasm and capability of our people.”

**Mark Beattie**  
Managing Director

**Adam Rankin**  
Associate Director  
– Canberra

**David McGregor**  
Associate Director  
– Melbourne

### David McGregor – Associate Director Cost Management, Melbourne

David has immense experience in engineering services design, project management and cost management. Previously Associate Partner (M&E) of a UK-based cost consultancy practice, he has also played a leading role in major mechanical and electrical contracting and design offices. David was PPP technical advisor for the City of Edinburgh Councils Education project in facilities management, engineering services and sustainability.

### Stefi Bong – Associate Cost Management, Adelaide

Stefi commenced with Davis Langdon in June 2008 and has over 8 years experience in the construction industry, including four years in Malaysia. She has worked for building contractors in Malaysia and joined a quantity surveying firm since moving to Australia in 2003. She has acquired expertise in aspects of estimating, cost planning, tendering, post contract and financial auditing.

**Stefi Bong**  
Associate – Adelaide

**Shane Berry**  
Associate – Sydney

### Shane Berry – Associate Building Surveying, Sydney

Shane is registered as a building surveyor and building inspector with the NSW Building Professionals Board and the Victorian Building Practitioners Board. Under these registrations Shane can issue construction certificates, complying development certificates, building permits, certificates of final inspection and occupancy permits/certificates. Shane has been involved in the building surveying profession for 12 years. His experience ranges from assessment and approval of domestic residential developments, high and medium density residential developments, aged/health care, commercial and retail buildings.
