

Meet our recently promoted Associate Directors...

Lee Brooks
Cost Management (Melbourne)

Having joined the company in 2004 from the UK, Lee has delivered on a number of commissions across all project phases and has developed strong external and internal relationships, building a dedicated and professional team environment.

Peter Karos
Cost Management (Melbourne)

Transferring from our Brunei office to Melbourne in 1997, Peter has undertaken all aspects of Cost Management including specialisations as well as mentoring of junior staff and developing a reputation for high quality service within budget and time frame.

Paul Spray
Project Management (Melbourne)

Paul joined our Australian office in 2007, having worked in our Irish office since 2004. He has, both individually and with his team, successfully secured a number of commissions. Paul is also our National Sports Sector Leader.

Neil Dickson
Cost Management (Perth)

Neil joined our London office in 1996 and moved to our Edinburgh office in 2000 where he was one of the partners responsible for delivery of cost and risk management services. Recently he transferred to our Perth office to utilise his extensive experience.

Mathew Jaycock
Cost Management (Perth)

Having worked in our London office since 2001, Mathew joined our Perth office in 2005 and has shown a high level of service delivery to clients and strong leadership skills, thus bringing out the best in his team's performance.

Michael Manikas
Cost Management (Sydney)

With his expertise in sustainability and experience across several facets of the industry, Michael has provided cost management services for a wide variety of clients, including advice on ESD options. He is also our National Retail Sector Leader.

Andrew Doherty
Cost Management (Sydney)

Andrew's expertise in asset management consulting and pre-contract estimating/cost planning, and his role as National Tax Depreciation Sector Leader, have seen him develop excellent client relationships across a number of sectors.

Alan Bailey
Cost Management (Sydney)

Alan's experience in both the UK and Australia has resulted in his comprehensive knowledge of all aspects of Cost Management and specialisation in the Aged Care, Education and Industrial sectors.
